### ***Our Mission***

Learners Advantage is committed to supporting teacher and student learning. Each onsite professional learning helps teachers deepen their understanding of research based instruction, build upon their own content knowledge, and learn to implement pedagogical best practices in their classrooms. Learners Advantage provides teachers with standards-based lessons, literature connections, proven strategies, and exciting activities using a hands-on, problem solving approach.

Real  
**classrooms**  
Real  
**engagement**  
Real  
**impact**

Supplement your math curriculum with hands-on resources that:

- **Target** troublesome standards
- **Differentiate** instruction
- **Deepen** student understanding
- **Support** small-group learning
- **Encourage** independent skills practice
